2025

A SUN-KISSED HOME

Set sail on a summer escape with Lexington Company’s Summer 2025 Home Collection. This season, the ocean’s treasures meet your home’s comfort. Lively hues, playful designs, and opulent fabrics bring the ocean’s hidden wonders to life in this marine-inspired collection.

The collection successfully introducing the ocean’s energy through its bold apricot shades and vivid blues. These vibrant colors are elegantly paired with beiges, and turquoise echoing the opulence of coastal living.

Combining premium materials such as organic or recycled cotton and linen with timeless stripes, each piece brings the warmth of sun-kissed shores into your space. Deep-ocean allure infuses our pillows, kitchen towels, napkins and coasters with aquatic charm. Key pieces in this collection include:

- Sateen Coral Bedding: Coral patterns dance across this silky sateen bedding, enveloping you in oceanic comfort. Drift into slumber, carried by waves of luxurious fabric to dreamy underwater realms.
- Seashell Tablecloth Weights: Anchor your alfresco spread with elegant seashell weights. These coastal-inspired charmers bring nautical style to summer dining, keeping tablecloths in place as ocean breezes waft.
- Seashell Pattern Serving Platter: Serve up coastal charm with a platter that captures the essence of the shore, ideal for those sunlit brunches or elegant dinners.
- Colorful Beach Towels: Vibrant and plush, these beach towels are a must-have for sun-soaked days, adding a pop of color and a touch of luxury to your summer adventures.
- Rattan Tray & Candle Holder: Add a touch of breezy elegance to your space with our handcrafted rattan tray and candle holder, blending natural textures with coastal charm.
- Welcome Mat: Bring the spirit of the ocean right to your doorstep. This scalloped mat beckons guests into your coastal-inspired home.

Whether your home is steps from the shore or miles away, the Summer 2025 Collection is here to splash some coastal fun into your home. Imagine your home bathed in patterns and prints that dance like coral reefs beneath the waves. Get ready to dive into a sun-soaked home by the tide.

LEXINGTON STANDS FOR QUALITY – IN EVERY FABRIC, EVERY DETAIL AND IN EVERY SENSE. OUR MISSION IS TO DEVELOP HIGH-QUALITY PRODUCTS WITH A LONG LIFESPAN. WE HAVE DONE SO FOR MANY YEARS, AND WE WILL CONSTANTLY IMPROVE AND CONTINUE THAT WORK.

Prints of the Season

This season's print, seen on the coral-patterned sateen bedding, captures the ocean's delicate beauty. With each coral branch intricately woven in vivid blues and apricot hues, this bedding brings a touch of coastal elegance to your bedroom. The luxurious sateen finish enhances the vibrant design, allowing the apricot and vivid blue hues to shimmer like sunlight on the ocean's surface.

Beyond the luxe coral print, the collection offers cheeky graphic patterns, bold stripes and classic checks. Paired together, the pieces help in creating a serene retreat that echoes the opulence of seaside living.
